SafeQuest Solano

Since 1976

For over 40 years, SafeQuest Solano has worked with community allies and stakeholders to **END VIOLENCE in our homes, schools, workplaces, and communities.**

In our 2018 fiscal year, more than 2,000 survivors of domestic violence, sexual assault, elder abuse, and human sex trafficking called our 24/7 crisis hotline.

Additionally, community outreach efforts reached 3,000 Solano County residents and our nationally recognized school-based prevention education curriculum engaged more than 1,000 local middle and high school students.

We encourage you to become a part of our solution by supporting our cause. Learn more about SafeQuest at [www.safequest.org](http://www.safequest.org)
