

Become a Volunteer Advocate

for Survivors of Sexual Assault & Intimate Partner Violence

Medical advocates are passionate volunteers who provide crisis intervention, support and resources to survivors during a forensic medical exam at a hospital or clinic after an incident of sexual assault or domestic violence.

A Flexible Time Commitment, Excellent Experience

- Advocates are on-call for 6 hour shifts of your choosing: day, evening and overnight shifts available. Take as few as four shifts per month. ***Some paid shifts available!***
- A powerful opportunity to work alongside survivors, provide crisis support and help folks begin their healing process.

Upcoming Training Schedule: February 2019*

All advocates complete 40 hours of training provided by NOFJC (20 hours online, 20 in-person). Upcoming training schedule is as follows:

- **Saturday, July 20th, 8:30a-4:30p**
- **Sunday, July 21st, 8:30a-4:30p**
- **Tuesday, July 23, 5-9p**

*Volunteers must attend all training dates. If you have a scheduling conflict, please indicate on the volunteer application.
