Applications submitted  
for Social Work CEU  
credit

We believe in a world in which freedom from gender-based violence is a basic human right.

Join survivor leaders, advocates, and allies for Sanctuary for Families' 2<sup>nd</sup> survivor-led conference exploring forms of abuse and emerging trends and challenges in the movement to end gender-based violence. All workshops will be facilitated by at least one survivor leader.

Together, we can make our vision a reality.

### PLEASE READ:

This conference is intended for survivor leaders, advocates, and allies who work in a service provision capacity including direct services, outreach, education or training, and public speaking. Conference topics will touch on issues that may be triggering. For this reason, the Vision for Change Conference may not be appropriate for individuals currently seeking emotional support and services for ongoing trauma or for children under the age of 18.
