Hi My name is [NAME] and I'm a voter from [CITY, STATE] and I am calling regarding the re-authorization bill for Family Violence Prevention and Service Act S.2259. I strongly support this Act. Domestic violence is not a family matter. It is a crime, and it is in Michigan. The Michigan State Police Crime in Michigan publication tells us there were 91,004 reported victims and 105 reported murders related to domestic violence in 2017. The Family Violence Prevention and Services Improvement Act of 2019 would:

1. Continue support to prevent and respond to domestic and dating violence.
2. Increase prevention funding and provide a more robust investment in prevention on the local community-level.
3. Create a new grant program for underserved populations, including youth, disabled, immigrants, or other marginalized populations.
4. Update program and service definitions to ensure all survivors have access to services.
