About the Event

Join bloom365 on March 1st for our 2nd Annual **Tee It Up for Teens** fundraising event at Topgolf Scottsdale. We will bring together corporate sponsors, individual golfers, community leaders, and our community of supporters to raise awareness and critically needed funds to support our mission to prevent teen dating abuse before it starts. You can expect a day of high spirited competition, featuring **three hours of play** at Topgolf Scottsdale, an exclusive **Top Contender Tournament**, a selection of food and beverages, raffles, and a **\$10,000 Hole in One Contest**. Reserve your bay today before they are all gone!

About Topgolf

Topgolf makes socializing a sport for everyone thanks to their special entertainment complex with dozens of high-tech, climate-controlled hitting bays that blend technology and golf. The format and structure of the event space and experience allows people of all ages and skill levels — golfers and non-golfers alike — to enjoy point-scoring games using microchipped balls that instantly score themselves in tournament-style or recreational play.

About bloom365

At bloom365 we believe preventing teen dating abuse at the root causes will help to ensure relationships, homes, schools, and communities are healthy, safe and free of domestic/sexual/teen dating violence for this generation and the next.

Proceeds from Tee it Up for Teens will help to fund our digital advocacy line, which provides over 1,200 hours of crisis intervention, safety planning, empathetic listening and non-judgmental emotional support each year via text, chat and video to teens who have witnessed or experienced domestic/sexual/teen dating violence.

Teen dating abuse—which includes verbal, emotional, physical, and sexual violence, as well as harassment via texting and instant messaging—is a reality for over 50% of Arizona youth between the ages of 13 and 24.
