## **COVID-19 Statement**

Taking into consideration the recent restrictions and concerns due to the global COVID-19 pandemic, and subsequent lifting of said restrictions, we will have a contingency plan in place for a virtual *Together We Thrive Fundraising Luncheon* in case there's a resurgence of the virus. Your safety and comfort are always priorities for us. *Thank you.*

## Sojourner Center: 40 Years of Service

Join us at the free-of-charge *Together We Thrive* fundraising luncheon 11:00 am to 1:00 pm on Thursday, October 15, 2020 to learn more about Sojourner Center. The event features a keynote presentation from Heather Grossman, domestic violence survivor and author of *Paralyzed in Paradise*.

Housing more than 800 people annually and reaching 10,000 more with community education and awareness, Sojourner Center has grown to meet the ever increasing demands for our services. In response to feedback from victims served and community partners, new programs need to be developed and implemented.

It is only with the support of people like you that Sojourner Center can continue its mission to overcome the impact of domestic violence, one life at a time.

To reserve your space at the luncheon, call **602.296.3388** or register online at [sojournercenter.org/register](https://sojournercenter.org/register)

***We look forward to seeing you on October 15th!***
